

4th Annual Carson River SNAPSHOT DAY

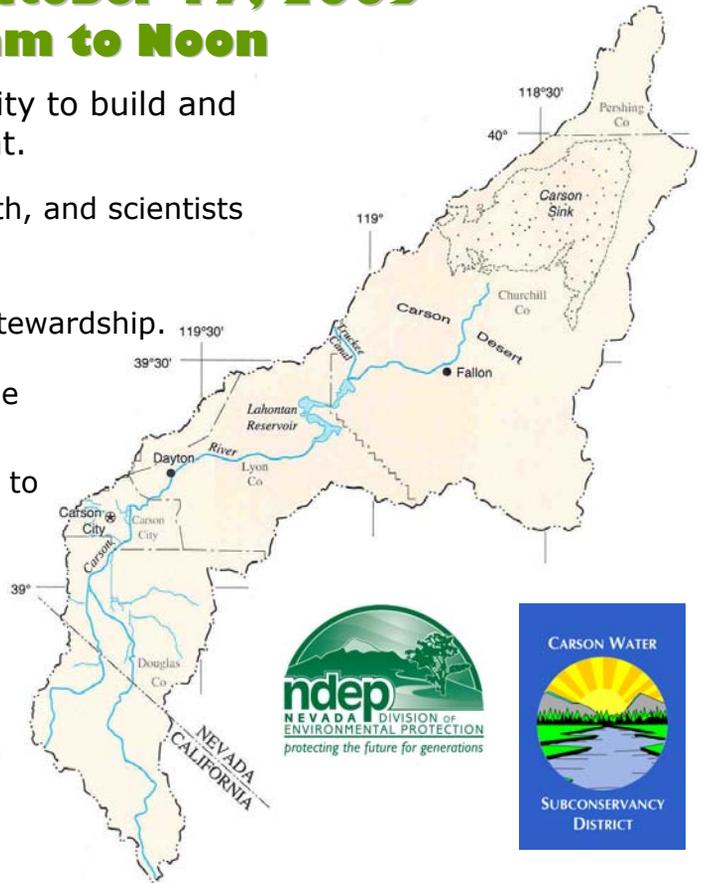

Saturday, October 17, 2009

9:00 am to Noon

Get involved!

Get involved in this unique opportunity to build and maintain a sustainable environment.

- ◆ **Bridge** the gap between citizens, youth, and scientists living in the Carson Watershed.
- ◆ **Promote and foster** environmental stewardship.
- ◆ **Build** a foundation for behavior change and caring for the environment
- ◆ **Seeking** water resource professionals to enjoy a Saturday morning outdoors along the river assisting Citizen Monitoring Teams as they conduct field tests; collect water samples; and complete visual habitat assessments of monitoring sites.
- ◆ Staging location –Carson Water Subconservancy District office.

It's easy!

1. SIGN UP
as a
Snapshot Day
team leader!

Your participation is important!
The number of sites sampled depends on the number of
TEAM LEADERS!

2. ATTEND the
Team Leader
training session!

TEAM LEADER TRAINING*
October 7, 2009
3:00 pm
NDEP – Humboldt
Conference Room (3S)

3. JOIN US
for
Snapshot Day 2009
and have fun!
