

Chemical Accident Prevention Program (CAPP)

PHA METHODOLOGY APPROVAL REQUEST FORM

Nevada's CAPP regulations require the owner or operator to obtain the approval of the Division concerning the methodology of the process hazard analysis before conducting the analysis. This form is to identify and justify the methodology(s) to be used. After completing the form, submit it by e-mail to the NDEP-CAPP. Upon reviewing the form, the NDEP-CAPP will prepare a letter with the determination. If an approval has not been received in 5 business days contact the program supervisor.
