

Permit fees

Fees for both Class I and Class II stationary sources*

- Insignificant activity determination — \$1,000¹
- Confidentiality request — \$1,000¹
- Change of location (per emission unit) — \$200¹
- Administrative amendment — \$1,000¹
- Notification of authorized change — \$1,000¹

Application fees

Class I application fees for major sources NOT subject to 40 CFR § 52.21

Table 1. Class I application fees for major sources NOT subject to 40 CFR § 52.21

Total number of Emission Units and Insignificant Activities	New Operating Permit to Construct (OPTC)	Revision of OPTC	New Operating Permit (OP)	Minor revision to OP	Significant revision to OP	Renewal of OP	Admin. renewal of OP	Admin. revision of OP*
≤10	\$40,000	\$10,000	\$35,000	\$10,000	\$35,000	\$30,000	\$5,000	\$1,000
11 – 20	\$45,000	\$15,000	\$40,000	\$15,000	\$35,000	\$35,000	\$5,000	\$1,000
21 – 50	\$50,000	\$20,000	\$45,000	\$20,000	\$35,000	\$40,000	\$5,000	\$1,000
51 – 100	\$55,000	\$25,000	\$50,000	\$25,000	\$35,000	\$45,000	\$5,000	\$1,000
>100	\$60,000	\$30,000	\$55,000	\$30,000	\$35,000	\$50,000	\$5,000	\$1,000

Major sources including Title V and PSD

- Conversion of an Operating Permit to Construct (OPTC) into an Operating Permit* — \$5,000¹

Class I application fees for major sources subject to 40 CFR § 52.21

- New OPTC — \$80,000
- Revision of OPTC — \$20,000
- New Operating Permit — \$80,000
- Major Modification Operating Permit — \$80,000
- Conversion of OPTC to Operating Permit* — \$20,000¹
- Administrative revision* — \$1,000¹

¹ Not subject to the 10% non-refundable fee for completeness determination.

*With or without a Prevention of Significant Deterioration (PSD) action (pursuant to 40 CFR § 52.21)

Class II application fees for minor sources

- Applicability determination* — \$1,000¹

Class II application fees for minor stationary sources

Table 2. Class II application fees for minor stationary sources

Total number of Emission Units and Insignificant Activities	New Operating Permit (OP)	Revision of OP	Renewal of OP	Administrative renewal of OP
≤ 10	\$5,000	\$2,500	\$2,500	\$2,000
11 - 20	\$10,000	\$5,000	\$5,000	\$2,000
21 – 50	\$15,000	\$7,500	\$7,500	\$2,000
51 – 100	\$20,000	\$10,000	\$10,000	\$2,000
> 100	\$30,000	\$15,000	\$15,000	\$2,000

Class II application fees for general permits and temporary change of location approvals

Table 3. Class II application fees for general permits and temporary change of location approvals*

General permit type	New permit	Revision
Class II general for temporary stationary sources	\$1,500 ¹	N/A
Class II general for stationary sources	\$500 ¹	\$250 ¹
Change of location (per emission unit)	\$200 ¹	\$200 ¹

¹ Not subject to the 10% non-refundable fee for completeness determination.

Class II application fees for “stand alone” Surface Area Disturbances permits*

- Revision of SAD permits — \$500¹

New or renewal of SAD permits (acres of total disturbed area):

- 5 or more acres but less than 20 acres — \$1,000¹
- 20 or more acres but less than 100 acres — \$2,000¹
- 100 or more acres but less than 500 acres — \$3,000¹
- 500 or more acres — \$5,000¹

¹ Not subject to the 10% non-refundable fee for completeness determination.
