**AGENDA**

1. Introduction and brief explanation of revision process by the NDEP Staff.
2. Public comment (for discussion).
3. Presentation and discussion of proposed regulation R034-26. NDEP staff will provide background on the purpose and need for the proposed revisions to the Nevada Administrative Code 444. The proposed amendments to Nevada's existing hazardous waste regulations will: 1) Establish a single regulatory regime for facilities seeking to manage recyclable materials whether classified as hazardous waste or hazardous secondary materials. (2) Establish an annual fee for the Division's oversight of these types of facilities and existing facilities operating under a written determination authorization from the Division; and (3) Adopts a portion of the Pharmaceutical Rule while making updates to certain portions of the federal requirements adopted by reference.
4. Public comment (for discussion).
5. Closing comments by the NDEP staff.

\* Public comment may be limited to five minutes per person at the discretion of the chairperson. The chair reserves the right to dispense with repetitive comments on a given topic.

*This notice has been posted on the official State website, the Nevada Legislature website and the NDEP website, at the NDEP offices in Carson City and Las Vegas, at the State Library in Carson City and at County libraries throughout Nevada.*
