Permit NS0020018, CARVER'S SMOKY VALLEY RV & MHP:

The Permittee, Smoky Valley Enterprises LLC, has applied for the renewal of Permit NS0020018 for their Carver's Smoky Valley Recreational Vehicle and Manufactured Home Park (RV/MH Park) onsite sewage disposal system (OSDS), located at 53220 NV HWY 376, approximately eight miles northwest of Round Mountain, within Nye County, Nevada. The Permittee proposes to continue discharging disinfected and treated wastewater to evaporation/percolation ponds located onsite.

The RV/MH Park was constructed in 1982. The RV/MH Park includes 120 domestic hookups and a coin-operated laundry facility. Currently, there are approximately 100 residential connections in use along with the laundry facility. The treatment system consists of a wet well, a 34,500-gallon capacity, three (3)-chambered OSDS (aerated septic tank), a 500-gallon chlorine contact tank, and two unlined, effluent discharge ponds (effluent Ponds 1 and 2), along with two piezometers which were drilled for use as monitoring wells (MWs). The two MWs are located adjacent to the MHP.

On the basis of preliminary review of the requirements of the Nevada Revised Statutes, as amended, and implementing regulations, the Administrator proposes to issue Permit NS0020018 to discharge for a five (5) year period, subject to certain effluent limitations.

Persons wishing to comment upon or object to the proposed determinations by the Administrator regarding permit issuance should submit their comments or request, in writing, hand delivered or postmarked no later than 5:00 P.M. on 04/20/2026, either in person or by mail to:
