

NOTICE OF PROPOSED ACTION

The Administrator, Division of Environmental Protection, Carson City, Nevada is issuing the following notice of proposed action under the Nevada Revised Statutes and/or the Clean Water Act, where applicable. The Administrator has received an application for a Groundwater Discharge, permit number NS2016502 from the following applicant:

GREAT BASIN WATER CO.
1240 EAST STATE ST S-115
PAHRUMP, NV - 89048

Permit NS2016502, SPRING MOUNTAIN MOTORSPORTS RANCH WASTEWATER TREATMENT PLANT:

The Permittee, Great Basin Water Company, has applied for the renewal of Permit NS2016502 for the Spring Mountain Raceway (SMR) Wastewater Treatment Plant (WWTP), at 2107 S. Cortina Avenue, in Pahrump, within Nye County, Nevada. The Permittee proposes to continue discharging secondary treated, denitrified wastewater to rapid infiltration basins (RIBs) located onsite. The SMR project is a planned development under construction located in Pahrump, Nevada.

The SMR WWTP, including the future planned expansion, will serve approximately 80 single family units and 20 acres of commercial development that includes a 1250-seat movie theater, 125-room casino/hotel, restaurants, retail shops, and racetrack facilities. An additional 42.6 acres of future commercial development is also planned to be serviced by the sewer system. The SMR WWTP is a Fixed Activated Sludge Treatment (FAST) system produced by Smith and Loveless, Inc. The FAST system is a fixed bed bioreactor that provides secondary-treated, denitrified effluent.

On the basis of preliminary review of the requirements of the Nevada Revised Statutes, as amended, and implementing regulations, the Administrator proposes to issue Permit NS2016502 to discharge for a five (5) year period, subject to certain effluent limitations.

Persons wishing to comment upon or object to the proposed determinations by the Administrator regarding permit issuance should submit their comments or request, in writing, hand delivered or postmarked no later than 5:00 P.M. on 06/09/2026, either in person or by mail to:

Department of Conservation and Natural Resources
Division of Environmental Protection
Bureau of Water Pollution Control
901 South Stewart Street, Suite 4001
Carson City, NV 89701

The request must be filed within the comment period and must indicate the interest of the person filing the request and the reasons why a hearing is warranted. All comments or objections received within the thirty (30) day period will be considered in the formulation of final determination(s) regarding the application. If written comments indicate a significant degree of public interest in the proposed permit, the Administrator shall hold a public hearing. A public notice of such hearing will be issued not less than thirty (30) days prior to the hearing date.

If no hearing is held and the determinations of the Administrator are substantially changed from the tentative determinations, the Administrator will give public notice of the revised determinations.

Additional comments and objections will be considered at that time.

A public hearing on the proposed determination can be requested by the applicant, any affected State, any affected interstate agency, the Regional Administrator of EPA Region IX or any interested agency, person or group of persons. The request must be filed within the comment period and must indicate the interest of the person filing the request and the reasons why a hearing is warranted. Any public hearing determined by the Administrator to be held must be conducted in the geographical area of the proposed discharge or any other area the Administrator determined to be appropriate. All public hearings must be conducted in accordance with NAC 445A.238.

The applications, proposed permits, comments received, and other information are on file and may be copied or copies may be obtained by writing to the above address or by contacting Melissa Hanson, Bureau of Water Pollution Control, at (775) 687-9315 or at mhanson@ndep.nv.gov.
